Are you tired of 'Dollar Over' being your go-to functional math and independent living goal? Because let's be honest, how many people carry a \$20 bill, \$10 bill, \$5 bill, and four \$1 bills with them at all times?

Are you also over 'Will develop a resume' as your go-to employment goal?

Or, is 'will research local college options' overused as your go-to education goal?

Please, **do not** open up a new Chrome tab, search 'IEP Goal Bank' and click on a website to find a short list of outdated functional skills.

ABOUT ME

I've been teaching for over 10 years and continue to find joy in working with students with disabilities!

I currently teach transition age young adults (18-22 years old) with moderate to severe disabilities. Community experiences, life skills, consumer math, and vocational skills are the focus and I love that each day is different and new.

My educational background includes- Bachelor's Degree in Elementary Education and Special Education, Master's Degree in Advanced Special Education, and 30+ Graduate Hours in Assistive Technology.
