**Consumer Math Weekly Practice Resource**

Consumer Math | Special Education Teachers | Teacherspayteachers

Nov 03, 2021

When something works well, there isn't a need to fix it. However, when you can improve it and expand it, why not?

The [Functional Weekly Practice worksheets](#) are a big hit and a single page version is included in every [Consumer Math Lesson Unit](#).

I was recently reflecting on my [Consumer Math Lesson Units](#) and thought, "hey, the [weekly practice](#) could ALSO be specific to consumer math topics and not just daily math concepts!"

The light went on and I started creating...

## Additional Boom Learning Information

You may be eligible for a free trial from Boom Learning. Read here for details: <http://bit.ly/BoomTrial>. If you choose not to stay on a premium account after your free trial, you will still be able to assign all your Boom Cards to as many students as you see fit using Fast Play pins (which give instant feedback for decks that are self-grading).

To use Boom Cards, you **must** be connected to the Internet. Boom Cards play on modern browsers (Chrome, Safari, Firefox, and Edge). Apps are available for Android, iPads, iPhones, and Kindle Fires. For security and privacy, adults must have a Boom Learning account to use and assign Boom Cards. You will be able to assign the Boom Cards you are buying with "Fast Pins," (play provides instant feedback for self-grading Boom Cards). Fast Play is always a free way for students to engage with Boom Cards decks. For additional assignment options you'll need a premium account. *If you are new to Boom Learning, you will be offered a free trial of our premium account.* Read here for details: <http://bit.ly/BoomTrial>.

# ABOUT ME

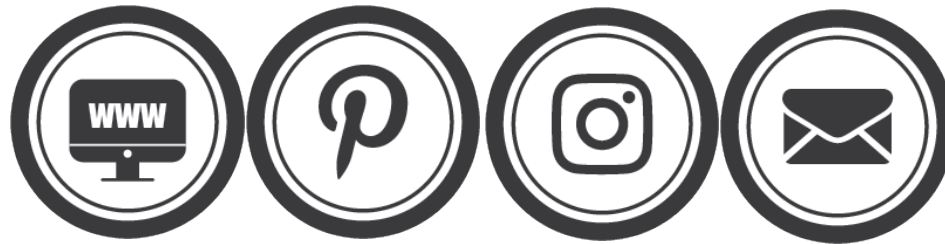

I've been teaching for over 10 years and continue to find joy in working with students with disabilities!

I currently teach transition age young adults (18-22 years old) with moderate to severe disabilities. Community experiences, life skills, consumer math, and vocational skills are the focus and I love that each day is different and new.

My educational background includes- Bachelor's Degree in Elementary Education and Special Education, Master's Degree in Advanced Special Education, and 30+ Graduate Hours in Assistive Technology.
